Allergy Technologies Expands Midwest Distribution with Pest Management Supply Now Carrying *ActiveGuard*[™] Mattress Liners

AMBLER, Pennsylvania (Monday, May 6, 2013) – Allergy Technologies announces that it has expanded the availability of its *ActiveGuard*[™] Mattress Liners in the midwest through a distribution deal with Pest Management Supply.

With distribution centers in Chicago and Kansas City, Missouri, Pest Management Supply will be supplying *ActiveGuard* to Pest Management Professionals (PMPs) between Ohio to Colorado.

Pest Management Supply is a privately owned and operated distribution company that has provided pest management professionals with quality products, supplies and services for more than 25 years.

According to Joseph Latino, Chief Operating Officer (COO) for Allergy Technologies, Pest Management Supply further expands the availability of *ActiveGuard* throughout the central United States.

“This agreement with Pest Management Supply signifies a new step for Allergy Technologies as PMPs are able to secure *ActiveGuard* with ease through another quality distributor,” said Latino. “We are fortunate to be able to partner with such a knowledgeable and service-oriented firm and are looking forward to a long and mutually beneficial relationship together.”

About *ActiveGuard* Mattress Liners

ActiveGuard is the only pro-active strategy for preventing a potential bed bug infestation. The liners actually kill bed bugs within 72 hours; even those resistant strains studied! These thin and breathable liners are easily installed onto mattresses and box springs and kill bed bugs and dust mites continuously for up to two years.

Extensively lab and field tested, *ActiveGuard*'s ability to keep on killing bed bugs provides continual protection against any adult bed bugs, nymphs or eggs that may be introduced into a room.
