Dear Eve,

May I state, Thank You For ActiveGuard Mattress Liners. Our company had been fighting Bedbugs in an upscale 150 bed nursing home for many months.. At times we had daily call outs. We did everything in our power to solve the problem. It wasn't until we decided to use ActiveGuard Mattress that our Bedbug issue ceased. Everyone involved is amazingly happy. ActiveGuard is a small price to pay to keep Bedbugs controlled and in check. Going Forward the nursing home has placed the cost of liners in the annual budget. Any PCO not integrating ActiveGuard Mattress Liners is not doing a proper job. This is a product to believe in.

Sincerely
